About Me

I am a Web Developer and a graduate of Xavier University Ateneo de Cagayan, with a bachelor's degree in computer science. I am currently a Web Developer at EcomPilot.

Professional Experience

Ad On Group PH | Web Developer | WordPress – Full Time July 2023 – September 2024

- **WordPress Specialist:** Focused on the initial development and deployment of client websites primarily utilizing Beaver Builder
- **Revision Management:** Streamlined the workflow for handling client-requested revisions, ranging from minor CSS tweaks to structural layout changes.
- **Finalization & Launch:** Responsible for the final technical checklist, including mobile responsiveness testing and SEO-friendly configurations before going live.

EcomPilot | Web Developer | WordPress – Full Time September 2024 – Present

- **Full-Stack Development:** Spearheaded the end-to-end development of high-performance websites using Elementor and modern frameworks like React and Tailwind CSS
- **Technical Versatility:** Managed complex site revisions and maintenance across multiple builders, including WPBakery and Avada.
- **Quality Assurance:** Conducted comprehensive pre-launch audits, ensuring 100% mobile responsiveness and cross-browser compatibility.
- **Performance Optimization:** Handled both simple and intricate site architecture updates to improve user experience and site speed.

Cascade IT Services | Lead Developer– Part Time April 2025 – Present

- **International Site Management:** Solely responsible for the development, redesign, and maintenance of corporate WordPress ecosystems across US (Oregon) and EU (Netherlands) markets.
- **Zoho Ecosystem Integration:** Collaborates with Zoho developers to seamlessly integrate CRM workflows, SalesIQ chatbots, and automated ticketing systems into WordPress environments.
- **System Migration & DNS Management:** Expertly handles site migrations and domain configurations using Hostinger and Cloudflare, including the management of A records, CNAME, and SSL troubleshooting.
- **Legacy System Transition:** Successfully led the platform migration from Zoho Sites to WordPress, ensuring data integrity and a complete design overhaul.
